## Why BSDC?

Each year, more than 300 international learners from South Korea, Japan, USA and Thailand receive academic or vocational education at BSDC, supporting their global outlook, improving their conversation skills and confidence and strengthening their language skills within their major.

BSDC staff continuously develop their curriculum to reflect the overall competencies needed within the cultural community. The instructors have taught at BSDC for many years and are experienced language tutors, who will ensure that every learner makes progress. In addition, by enrolling at BSDC, international learners are able to gain academic credit alongside their completion certificate.

## English Programme Teaching Staff

All teachers who deliver this course hold degree level education, plus post graduate level of teaching qualification such as a PGCE and, additionally, an internationally recognised TEFL qualification such as CELTA or Trinity Certificate. They are also experienced tutors on our international English programmes and have taught over 1000 learners on our summer and winter school programmes.

## How will you learn?

Learning will take place online in real-time, where lessons will be delivered live by experienced teachers. All resources will be available online via the BSDC learning platform, called Canvas. Once enrolled, learners can access Canvas via desktop or mobile IOS and Android devices.

### System requirements:

Canvas runs on Windows, Mac, Linux, iOS, Android or any device with a modern web browser.

### Supported browsers:
