

# Respect Agreement for Learners

## At college, I will:

Display my ID card on my lanyard at all times, and will never allow others to use my ID to gain access to any college buildings or facilities.

Treat fellow learners, staff and visitors with courtesy and respect, refraining from using aggressive language or violent behaviours towards others.

Act as an ambassador of the College whenever involved in any college related activity.

Treat the College environment and equipment with respect.

Report in confidence any safeguarding concerns or incidences of bullying, harassment, verbal or physical abuse.

Follow reasonable instructions from staff.

Be positive and committed to my learning.

Be punctual and complete all my work relating to my course within set deadlines and to the best of my ability.

Aim for my attendance to be 100%, and when I am ill to report absences in line with college procedure.

Use mobile phones and other mobile technologies in lessons for directed learning and assessment activity only.

Log off any computers and turn off other electrical equipment after use to ensure we are all working on reducing our carbon footprint.

Be committed to keeping myself and others safe online and when using all forms of digital media.

Choose healthy options around food, drink, exercise and rest, which will help with my physical and emotional wellbeing, and help me to be fit and successful in all I do.

Only use the lift if I have a health need that requires me to do so and keep my lift pass on display at the back of my lanyard.

Adhere to the College policy on no smoking (including vaping) and our Drug and Substance Misuse Policy.

Adhere to the College Health and Safety and Safeguarding Policies.
