You will gain a wide range of sector knowledge linked to practical skills, taking part in research, self-study, directed study and workplace scenarios.

You will develop a sound understanding of the principles in your field of study and will learn to apply those principles more widely. You will learn to evaluate the appropriateness of different approaches to solving problems. You will be able to perform effectively in your chosen field and will have the qualities necessary for employment in situations of personal responsibility and decision-making. You will be adaptable and flexible in your approach to sport, show resilience under pressure and meet challenging targets within a given resource.

Two options are available:

Option 1 – Community Sport and Physical Activity

Aim: To improve ability as a football coach and develop knowledge around community engagement. Upon completion of the course, you will have the skills and knowledge to become a football community coach.

Option 2 – General Sport

Aim: To improve your ability to play football and develop your personal skills.

Progression

On successful completion of the Level 5 Higher National Diploma, you can develop your career in the sport sector through:

- Entering employment
- Continuing existing employment
- Linking with the appropriate Professional Body
- Linking with the appropriate National Governing Body certificates
- Committing to Continuing Professional Development (CPD)

COLLEGE PARTNER

St. George's Park Partnership

We are proud to be the official college partner to St. George's Park and FA Learning, the home of the National Football Centre. Burton and South Derbyshire College plays an essential role in delivering the underpinning skills strategy for The FA and related project partners, across a range of sports and service related disciplines. Our sport, health and fitness courses and unique partnership with FA Learning will provide you with opportunities to develop a range of skills, techniques and attributes, essential for successful performance in the sporting industry.

As part of your study programme, you will combine practical sports aptitude with theoretical study skills to give you a highly recognised vocational qualification.

All sport courses will include an element of work experience and project work within relevant, local industries.

Burton Albion Partnership

Burton Albion Football Club is a League One football club in the town of Burton upon Trent, Staffordshire, England. Burton Albion was formed in 1950 and promoted to the Football League for the first time in 2009. The club's home ground is the Pirelli Stadium and their nickname is The Brewers, stemming from the town's brewing heritage dating back hundreds of years.

Burton and South Derbyshire College and Burton Albion Community Trust (BACT) have run, in partnership, a football and education programme for over ten years, which combines practical and theory based approaches to increase an athlete's performance on the field, enabling their football performance to excel, along with increased knowledge of the wider sporting industry.

Entry to Study in the UK

If you do not hold a passport from the UK or EEA then you will need to gain tier 4 sponsorship from Burton and South Derbyshire College in order to enter the UK for the time you study. The College can explain this process to you in further detail.

Accommodation

Burton and South Derbyshire College can assist you in securing your choice of accommodation for the duration of your study. Accommodation costs are not included in the tuition fee for the course. You should expect to pay between £85 and £150 per week, inclusive of utility bills, for student accommodation.
